

Birthday/ SPCA Benefit Party February 17, 2023

*Lakeland Elks Lodge 1291
4529 Harden Blvd.
Lakeland, Fla.*

EVERYONE IS INVITED to join us in celebrating another birthday and help support an organization that has been very near and dear to our hearts for many years. What better way to spend a Friday night than helping to support such a great cause?

5:30 - Meet and greet some of the SPCA animals that are up for adoption and their care givers
6:30 - Human heavy appetizers will be served

For those of you who may not be familiar with this event. The best birthday gift WE could ever ask for is to have our friends join us in helping to support our local SPCA. So instead of gifts for us we only ask that you bring one of the following:

1. Cash donations - To help with medical needs, food and general care of the animals
(Please make checks payable to the SPCA)
2. 10 lbs. or more of Puppy or dog food
3. 10 lbs. or more of Kitten or cat food

Thousands of animals pass through the doors of the SPCA shelter every year. They operate solely on donations from caring people like you.

A silent auction will be held throughout the night so come ready to shop.

ALL proceeds from this event go directly to the SPCA animals.

Please call the lodge at (863) 644-4332 or my cell (863) 944-2903 for **reservations by February 5th**. We want to make sure to have plenty of food for my human friends as well.

If you are interested in helping with food, serving or auction item donations please let me know.
Thanks in advance for your support.

Michelle Schlaack
Anne-Marie Wendel
